An Oasis of Well-being

# Beaches

Dramalj exudes a relaxed atmosphere with beautiful beaches sheltered by steep cliffs and other stretching out beneath villas and hotels located in pine forests. There are also small beaches in quiet coves which are so secluded that they look as if they were created as a naturist retreat.

# Accommodation

In this pleasant atmosphere, situated between thick Mediterranean forest and the crystal clear sea, with its mild climate and abundant sunshine, Dramalj extends its hospitality as a tourist destination with a long tradition, Regardless of whether the accommodation is in apartments, rooms in private houses, holiday village or in one of its hotels.

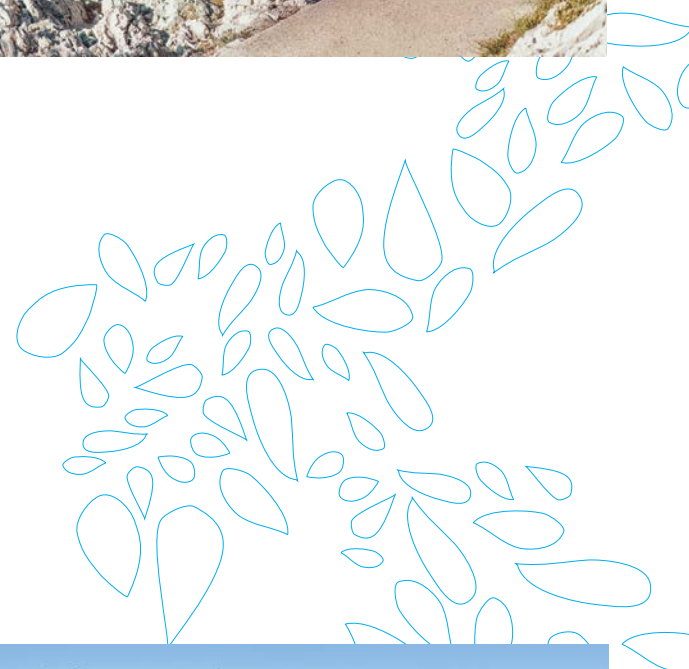

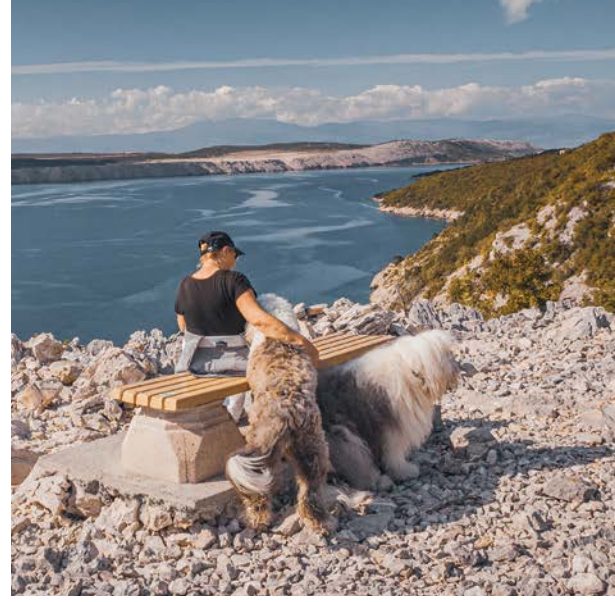

# Recreation

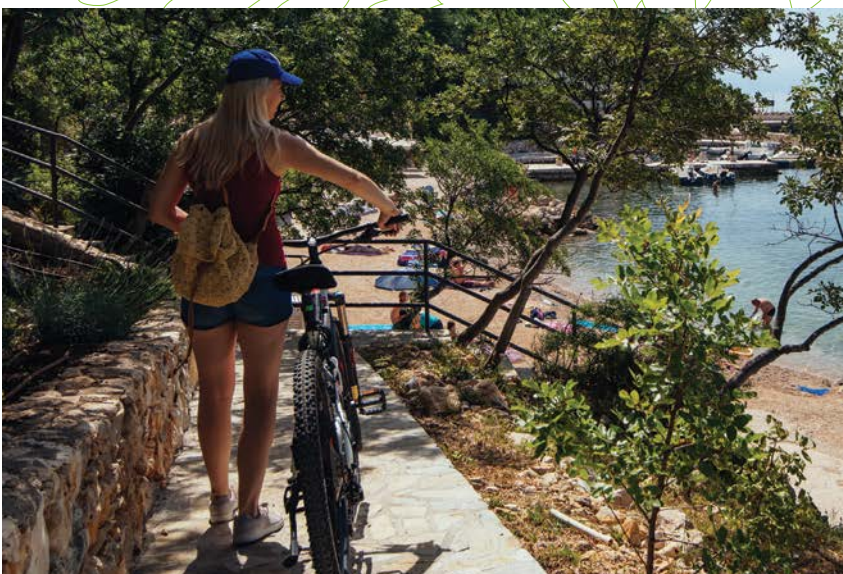

There are plenty of opportunities for recreation in Dramalj: tennis courts, water skiing, parasailing and other activities. You can finish or start your day, depending on your mood, with a stroll along the pleasant seaside promenade and allow your senses to take in the magical sights, smells and sounds of nature.

The luxuriant greenery provides the perfect backdrop to relaxing by the sea and enjoying the summer, but is also an ideal setting for the nice villas of the late 19th and early 20th century, as well as the more modern ones of our own time, all of which give Dramalj the atmosphere of an elegant coastal resort.

# Events

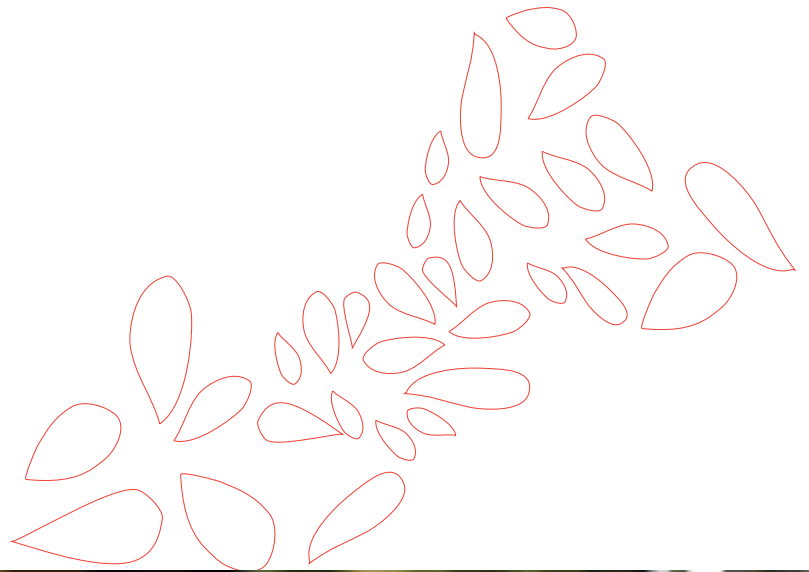

The summer events like Melodies with a taste of the sea, Evenings of local and traditional songs or Fish festivals are a special experience in Dramalj, and are enjoyed by both, hosts who are keen to present their traditions, and guests.

# Gastronomie

It is hard not to enjoy the sound of the sea washing the pebbles on the beach, the chirruping of the crickets or seagulls in flight. Alternatively, you can enjoy a fun game, meditate on the beach, or relax on the terrace of one of the cafés on the seafront promenade. Dramalj's restaurants welcome you with their culinary delights, the taste of freshly-caught fish on a charming terrace, accompanied by the sound of an a cappella group and the smell of the sea and Mediterranean plants.
